It is illegal to drink and drive on boats!

You can face a £5000 fine for drinking and driving. It is the same level as on the roads.

Being over the legal drink drive limit invalidates all insurances and therefore you are liable for all cost in the event of an accident

If you are found to be drunk or misbehaving on this boat we WILL remove you and your party! No Money will be refunded and you are liable for any transportation fees for yourselves and the boat.
